Innovation and Entrepreneurship Development Centre (IEDC)

KMCT Medical College provides ample opportunities for its students to nurture and showcase the innovations and entrepreneurship skills via its Innovation and Entrepreneurship Development Centre (IEDC). The IEDC was formulated to promote innovation and entrepreneurial culture in educational institutions and to develop institutional mechanism to foster techno-entrepreneurship for generation of wealth and employment. KMCT Medical College is the first and only medical college in Kerala to get approval from Kerala startup mission (KSUM) under Government of Kerala. Kerala Startup Mission has taken this initiative to create awareness, exposure and skills among the students and to enable and promote an environment to create entrepreneurial ventures by developing innovative products of social relevance. IEDC plays a major role in identifying the potential entrepreneur, right from the college level. IEDC has a nodal officer, assistant nodal officer and 10 different leads which is head by students. College has been awarded 2 lakh grants from KSUM to develop the innovation ecosystem in our institution after the inspection which saw that the college has requisite expertise and infrastructure.

SANCTION ORDER :

KERALA STARTUP MISSION

Abstract

Kerala Startup Mission - Establishment of new Innovation and Entrepreneurship Development Center - Sanctioned - Orders Issued

KERALA STARTUP MISSION

Date: 18.07.2022

KSUM/657/2022

Re:- Order No. KSUM/613/2020 dated 16.09.2020

ORDER

As part of the Youth Entrepreneurship, IEDCs are being established in the Engineering colleges, Government Polytechnic Colleges and Arts and Science colleges having PG degree to promote technology based entrepreneurship among the students. Accordingly IEDCs are established in 341 colleges. The applications received for establishment of new IEDC are examined and sanction is accorded for establishment of 34 new IEDCs. The list of new IEDCs is attached as Annexure

YOUNG INNOVATION PROGRAMME

We have enrolled in Young innovators programme (YIP) under Kerala Development and Innovation Strategic Council. The program's goal is to provide future innovators with the tools they need to create new goods, services, or business models that more effectively address developing societal needs and unmet market demands. An overview of young innovation programme was provided by resource speaker Adnan muhammed on june 22.session lasted for one hour with very good feed back from students . 19 students participated in the programme.

An overview for YIP 5.0

As part of YIP, a speaker assigned by YIP is coming to KMCT Medical College and conducting an interactive session on An overview for YIP 5.0

15th June 2023 | 11 AM to 12 PM
