Summative evaluation: (Theory, Practical and Viva): This is done as per the guidelines of the Kerala University of Health Sciences. The goal of summative assessment is to evaluate student learning at the end of an instructional unit by comparing it against some standard or benchmark.

Assessment Criteria:

- Case-Based Learning
- Skill Education Objectives
- Basic Clinical Skill Learning
- Individual Patient Care
- Clinical Practice Competencies
- Clinical Skill Expertise
- Internship: Record is maintained by the institute.
- Formative evaluation: Each department has its own policy: The goal of formative assessment is to monitor student learning to provide ongoing feedback that can be used by instructors to improve their teaching and by students to improve their learning.
- Class test, Tutorials, Discussions and Mentoring.
