TO WHOMSOEVER IT MAY CONCERN

The Karassery Grama Panchayath places a premium on providing hospice care and other forms of assistance to the most vulnerable members of society. Our palliative care initiative is highly regarded. We are regularly visiting patients in their homes, holding medical camps, and handing out medicine to those in need. Medical personnel, medications, and emergency ambulance services have all been provided by KMCT Medical College for the previous three years in support of this fantastic project. We owe a great debt of gratitude to the administration and faculty of KMCT Medical College. To the greater good of society, we look forward to the further growth of this alliance.
