	: Ashhad mohammed	-2022 Batch
	: Dr. Aleem Khan N	-PG 2022 Batch
	: Dr. Anjali Lakshmanan	-PG 2021 Batch

In June 2023, after a hectic election campaign, a great union was launched at the KMCT Medical College. The Ektha Students' Union '23-'24 was formally formed on 2/6/23 at the basketball court as the first event of our union that the students were waiting for. On the occasion, the university toppers of all batches were felicitated.

Dr. Lathi Nair, the former principal, who was honoured on World Environment Day, planted a sapling on the college campus and then passed on the environment day message to the students. Our students also joined the cycle rally held from KMCT Medical College Campus to NIT Campus on World Bicycle Day in collaboration with the NSS Unit at NIT Campus. During the student agitation over the death of a student friend at Amal Jyothi Engineering College, the students of our campus expressed solidarity.

In the blood donation camp held on the occasion of World Blood Donors Day, The Mukkam Sub Inspector participated and congratulated the winners of the competition held in connection with the camp.

On the occasion of Pride Month, a debate and face painting competition were organized to create awareness about the LGBTQ community. Subsequently, our dear seniors who have entered the house surgency afresh from the 2018 batch were warmly welcomed.

The union is proud to be able to organise the arts fest "Aranga 2023", which lasted for one-and-a-half months, for the first time in the history of KMCT. Kmct has also witnessed friendly competitions between batches along with developing creative skills among students. At the end of two days of onstage competitions, Champions Trophy won Dhruvas (2019 batch) and Runners up Trophy Ethereals (2021 batch). While Karishma of Querentia (2022 batch) won the Kalathilaka title in Arts Fest, Muhammed Nafih P of Dhruvas (2019 batch) was selected as the Artistic Genius.

While the students called for a strong condemnation of the atrocities against doctors in the society, they handed over face portraits and greeting cards drawn by the students on National Doctors' Day as a mark of respect for their commendable services in the health sector. In order to facilitate the admission process for the year 2023, the union's first-ever admission help desk was created to clear doubts and complications among students. Dr. Lathi Nair, former principal of KMCT Medical College, hoisted the flag and delivered the Independence Day message on the occasion of the 77th Indian Independence Day.

One of the union's notable achievements is that for the first time in the history of KMCT, the Curequest '23 - CORAZON - All Kerala Medical Undergraduate Quiz was organized under the leadership of the Scientia Academic Club. About 28 teams from around 10 medical colleges participated in the event. We wish that this is an inspiration for future unions to continue holding these kinds of All Kerala competitions.

The year 2023 was the first Onam at KMCT Medical College, which was celebrated by faculty and students together. Our juniors, Auriga, called Arpo-23, organized Onam in a grand manner.

Intermedicos 2023 was held at Trivandrum Medical College in September. As a result of the hard work of our students, kmct medical college vattapattu team won the first prize and kmct medical college football team created history as second runners up. The union congratulated the teams that won the prizes.

Athletic meet, Ignite 2023, which has not yet taken place on the soil of KMCT

This is what the college witnessed this year. Ethereals won the overall trophy and the Auriga Runners were up after a thrilling battle. Anand RS of Auriga and Yaara Sahad of Dhruvas have been selected as the best sportspersons. Decadians won the championship trophy and Querentia first Runners up in the one-day interbatch football tournament held at The Hira School Ground as part of the Sports Fest 2023-Adrenaline.

This is the first time since 2011 that KMCT Medical College is re-opening freshers' day. The freshers' day, named "AARAMBH", set the stage for a colourful cultural feast by the students of the 2023 batch and the good friendships between the students.

In the KUHS North Zone Arts Fest held at GMC Kannur on October 9, 10, 11 and 12, KMCT Medical College secured the eighth position among the 100 colleges. Our friends have won the first prize in group competitions like Oppana, Vattapattu and Group Dance, beating the big teams.

Kmct's boys girls team was selected for interzonals at the KUHS DZONE badminton competition held at MMC.

There are 8 clubs in KMCT Medical College to discover and nurture the aptitudes of the students:

Yavanika, Polaroid, Scientia, Mehfil, Thudipp, Vittaalaa, Footloose, Tharang.

During the period of this union, each of the clubs organized a number of exciting and commendable competitions and events. At the film fest held in June, a handful of good films were screened under the aegis of the drama club Yavanika, as per the wishes of the audience. On the occasion of Mother's Day, Yavanika and the literary club Thudip presented a heart-warming short play. In addition to this, in the midst of the tedious syllabus and the busy medical life, sorapara has provided a platform for you to open your mind and talk for a while and share the laughter. The pulse through the index finger proved that the pen is a more powerful weapon than the sword to expose the injustices that are taking place before our eyes. I came to mehfil, a music club, to give you a little bit of music sweetness along with the beat. Our college's very own music band, Mehfil, got off to a beautiful start by presenting a musical feast for the students on the occasion of World Music Day. The photography competitions organized by the photography club Polaroid on the occasion of World Environment Day and our Iftar party, Inayat, were

very impressive. Scientia's diagknows, an academic club, was designed to enhance medical knowledge by conducting daily quizzes and arouse curiosity among students. It was under Scientia that the first All Kerala Medical Undergraduate Quiz, CALLED CORAZON, was conducted in KMCT. The treasure hunt by Vittala, the Adventure club, was extremely exciting. Footloose, a dance club, has succeeded in providing many competitions and venues to encourage students in the field of dance. The boys of Tarang, a fine arts club, have performed admirably in many competitions held in and out of college.

What gives the union a lot of satisfaction is the work of Dhvani, who was formed for palliative care. They were able to collect and distribute clothing through the "Reserve" initiative, organize a foodstore called "With" and help with palliative treatment through a "treasure".

In addition to this, events such as Christmas celebration, PG night, and 2010 batch reunion are looking forward to making your campus life more celebratory. Some of the activities initiated by the union such as basketball court renovation, students' corner formation and union notice board are in progress.
